2022 Production Institute

Presented in partnership with the Community Film Workshop of Chicago, the Production Institute makes high-quality digital production training accessible to intermediate media makers from South Side communities. Through a hands-on film production course taught by experienced instructors, the Production Institute offers participants the opportunity to advance digital production skills and build a professional portfolio, with the program culminating in each filmmaker creating a 5-minute short film.

### Eligibility

- 19+ years old
- South Side or South Suburbs resident
- Not currently enrolled in a school or college program
- Able to attend all Film Aesthetics classes, mandatory for program enrollment
- Intermediate filmmaker
- Demonstrated skills in camera operation
- Pass a proficiency test
- $100 deposit for program participation
- Feasible project proposal upon applying
