How do our patrons receive their tickets?

-Typically most student organizations choose "Will Call" for all of their advanced ticket purchases. The box office will provide you with all of the tickets purchased on the day of your event to distribute to your

patrons at the door. We are also able to mail tickets to your patrons as well, provided they are purchased a minimum of 2 weeks in advance. "PRINT AT HOME" is also an available option, however for general admission events, this is not recommended.

-The default for student events is "Will Call" only. If you wish to take advantage of "Print At Home" or Mail for ticket delivery methods, be sure to inquire about this when submitting your event.
