WELDING, AEROSOL SPRAYS, OPEN FLAME, CAUSTIC CHEMICALS, EXCESSIVE DUST, ETC.

APRIL 1–22, 2016
Reception: Fri, Apr 1, 6:30–8:30 pm
Logan Center Gallery and other locations

A BA Thesis exhibition featuring works by:
Anna Atkeson
Gabi Bernard
Yeesoo Chae
Lorenzo Conte
Jessee Fish
Maddox Fraad
Rachel Jackson
Reshad Monsur
Alison Titus
Anna Tropnikova
Cambria Whitcomb
Angela Zhang
Irene Zhang

In small spaces, residue accumulates and material history becomes evident. What was new and lustrous becomes old and worn.

The materials, the processes, and the people – all producers of dust, all to turn to dust. Let us trace their paths, see their marks, their excesses, and their spaces large and small, indoor and outdoor, permanent and temporary.

Let’s chase the excessive dust, etc.
