Screen Share Video Gallery is a venue for screen-based media at the Reva and David Logan Center for the Arts, designed as a way to showcase student work made in various production courses in DoVA, including Video, Animation and On Time & Space. This space also hosts curatorial projects by students, alumni and guests from various Chicago art organizations. Located in the reception area outside of the Film and Video Screening Room (on the second floor of the Logan Center), Screen Share functions as a video lounge, showcasing programs of video, animation and new media on a rotating schedule.
