(If you plan to sell a portion of the tickets on your own please discuss the parameters of this arrangement with the box office manager prior to tickets going on sale.)

Ticket Delivery Options

(Please circle the delivery options you'd like to offer patrons for the tickets to your event. If "MAIL" tickets can be mailed if purchased a minimum of 2 weeks prior to the performance. If "PRINT AT HOME" please note that this is not recommended for General Admission events as it is difficult to prevent multiple printings of a G.A. ticket. If you are not concerned about this potential issue or your event is Assigned Seating, "Print At Home" tickets are recommended. "Will Call" is always available by default and allows patrons to pick their tickets up at the Box Office on the date of the event.)
